

At the start of a new session, we are ready to embrace new learnings and create new habits. So, let's welcome this new session with renewed energy and commitment to improve ourselves with a starting theme of the month **NEW RESOLUTIONS AND DETERMINATION.**

Children of class V being the senior most class conducted the first assembly whereby a welcome prayer was done by Bhagavad and a Welcome back to school speech was delivered by Sarthak. Giving more meaning to the monthly theme all the children of class V wrote down their goals for the New Session.

CLUB ACTIVITIES

LITERARY CLUB: 13th April

The Literary club under the guidance of Mrs. Amrita Sharma and Mrs. Vineeta Surira visited the station Unit and Tech Library. The aim of the visit was to create an opportunity to check out a bigger library with different books and also to create curiosity among our young readers.

ECO CLUB: 20th April

The Eco Club under the guidance of Mrs. Clearica ML Pathaw and Mrs. Nirmala Singh Prasad as a part of a celebration of Earth Day took children of classes IV and V for a nature walk to Malse Lake. The aim was to help children learn to focus their attention and take in the details of things around them in a peaceful environment.

A time well spent in the lap of mother nature

ASTRONOMY CLUB 26th April

The Astronomy Club under the guidance of Mrs. Renefa Mehjabin and Mr. Surajit Das gave a very exciting performance to enlighten children more about The Solar System. The children themselves divided into groups made the planets out of card boards and chart papers. This developed team work, creativity and motor skills

After the presentation children were asked questions about what they have learnt.

Today is the day to learn something new

COMPETITIONS

Mask Making Competition 10th April

The aim of the competition is to foster the imagination and fine motor skills while allowing the children to express themselves through art.

Poem Recitation with the theme Save Earth 22nd April

Folk Dance Competition 30th April

Election Campaign for School Office Bearers

With the start of the new session the school requires office bearers to set role models to promote leadership for the entire student community. Students of class V being the senior most class got a chance to promote themselves through speeches as to why they deserve to be an office bearer. The selection of the office bearers was done through a voting system after hearing the speeches of the candidates

Our leaders of tomorrow

Poster Making and Essay Writing

Competition: 16th April

The station fire section celebrated Fire Services week. As a part of this celebration the section invited students of classes III, IV and V of Air Force School to participate in Poster Making and Essay Writing Competition with the theme 'Fire Safety'. Winners of these competitions were awarded with cash prizes.

Counselling Session on Listening Skills.

The ability to listen is essential for language development and reading. Keeping this in mind the school organize a workshop on Listening Skills by Ms. Rozie Lyngdoh (Station Counsellor)

CCA ACTIVITIES

Brushing the Monster Activity, where children of classes I , II and III made a monster with big teeth . The children use toothbrushes to brush the monster teeth. This activity was done to inculcate dental hygiene. On the other hand, children of classes IV and V made cards for their loved ones.

CELEBRATION

EARTH DAY 22nd APRIL

Earth Day , also known as World Earth Day is celebrated yearly on 22nd April. This Day was celebrated in the school to support and protect the environment . To celebrate this day children of classes I,II and III made badges and bookmarks on the theme Save Earth Save Life

Introduction of Aerobics

Aiming for our children to have a healthy body and have fun at the same time, aerobics is replaced in place of old PT method of exercising.

Having fun while keeping ourselves fit

PRE-PRIMARY SECTION

FIRST DAY OF SCHOOL

We awaited the first day of school with mixed emotion, never doubting that it would be an easy day. A welcoming activity to welcome them back to school the LKG children colored butterflies. The butterflies symbolizes a new beginning for them. They were also welcomed with pencils stuck with a star to remind them that they are all shiny stars ready to shine bright.

ORIENTATION PROGRAM

Orientation day was held on the 1st of April to apprise the parents about the functioning of the school

All the necessary preliminary information was given out and slide shows were simultaneously shown

has also been an interactive session between the teachers and the parents. Various enquiries made by the parents were clarified by our senior teachers. It was indeed a meaningful session.

Palm Printing Activity by Nursery

10th April

Palm printing activity was done by Nursery children along with the teacher.

The tiny hands of our Nursery children.

Thumb Printing group activity by
LKG children on 10th April

Clay Molding group activity by
UKG children on 10th April

#All these activities were done to enhance fine motor skills and develop creativity.

EARTH DAY CELEBRATION 22nd APRIL

Earth day was held to instill in children a sense of belonging and safeguarding our only home planet Earth. The three R's were introduced to the children

Reduce, Reuse, Recycl.

Saphira Maam spoke to the children about how best the little tiny tots could contribute in maintaining our planet-by reducing usage of water by not leaving the tap on until our hands are washed, passing on toys and old clothes to their siblings and to a more impoverished children and recycling of plastic bottles and papers into usable

A visit to Herbal Garden

A visit to herbal garden is to instill in children a sense of enquiry and develop a knowledge about herbal plants and its

utility and we all enjoyed going outdoors after being inside the four walls of the classroom.
