

### MONTHLY THEME REDUCE, REUSE AND RECYCLE

## Orientation program

The school conducted a warm and engaging Orientation Programme for the parents of Pre-Primary and Primary students at the beginning of the academic session. The session aimed to familiarize parents with the school's vision, curriculum, teaching methodologies, and overall functioning. The programme began with a welcome address by the school authorities, followed by an introduction of the faculty members. Parents were given insights into the academic structure, daily routines, assessment patterns, and co-curricular activities designed for the holistic development of children.

# Club Activity: Primary

## Eco CLUB :

### **Preparing a compost**

A Compost Preparation Activity was conducted by the Eco Club on 11th April in the school premises. During the activity, students dug a pit in the backyard of the school and placed biodegradable waste materials such as banana and apple peels into it.

## LITERARY CLUB

### **Bookmark Making Activity**

On 8th April, the teachers of the Literary Club conducted an engaging and creative activity on "How to Make Bookmarks." The session aimed to encourage reading habits among students while also nurturing their creativity and artistic skills.

## ASTRONOMY CLUB

### **Orion Spacecraft Activity**

The Astronomy Club organized an informative session for students, during which an educational video was shown highlighting various aspects of astronauts and their contributions to space exploration. The teachers also shared insights about the recent Artemis II mission, enhancing students' understanding of current developments in space science.

# ACTIVITIES & COMPETITIONS

## NATURE WALK FOR CLASS III TO VI

On Earth Day, celebrated on 22nd April, students of Classes III to VI participated in a nature walk to Malse Dam, accompanied by their teachers. The activity aimed to help students connect with nature and understand the importance of environmental conservation. It provided them with an opportunity to observe the natural surroundings closely and appreciate the beauty of the environment.

## LEAF PRINTING FOR CLASS 1 AND 2

“For students of Classes I and II, an engaging activity was organized wherein they were asked to collect fallen leaves from the playground and paste them onto a tree outline provided to them.

## COMPETITION

Best out of waste: On 21st April, a “Best Out of Waste” Competition was conducted for students of Classes II to VI. The activity encouraged students to utilize discarded materials creatively and transform them into useful or decorative items. It aimed to promote environmental awareness, resourcefulness, and creativity among students

## FOLK DANCE

Folk Dance Competition was conducted for students of Classes I to VI on 30th April in the school premises. The event provided a platform for students to showcase their talent and appreciation for traditional culture through dance. Participants.

## FIRE DRILL

On 17<sup>th</sup> April 2026, the school conducted a Fire Drill to ensure the safety and preparedness of students and staff in case of an emergency. Children were guided on how to respond calmly and follow safety instructions during such situations. Under the supervision of teachers, students practiced safe evacuation procedures and assembled at the designated areas in an orderly manner. The drill helped create awareness about safety measures and the importance of staying alert and disciplined during emergencies.

# ACTIVITIES - PRE PRIMARY

## *FIRST DAY AT SCHOOL*

On 2<sup>nd</sup> April 2026, the first day of school was filled with excitement, smiles, and a few happy tears as our little ones stepped into a new world of learning. Teachers warmly welcomed the children, helping them settle comfortably into their classrooms. Fun activities, games, and interactions made the day enjoyable and stress-free. It was a memorable beginning, marking the start of a wonderful and joyful learning journey for our young learners.

## *ECO-CLUB ACTIVITY*

On 20th April 2026, our young learners participated in a role play activity on planting saplings as part of the Eco Club initiative. Children enthusiastically acted out the steps of planting and caring for plants, helping them understand the importance of nurturing nature. The activity was both fun and educational, encouraging students to develop love and responsibility towards the environment.

## *CLASSROOM ACTIVITY*

Students actively participated in a variety of classroom activities designed to make learning fun and meaningful. Through interactive sessions, hands-on tasks, and group activities, children explored new concepts with enthusiasm.

Activities such as phonics games, number work, art and craft, and creative play helped in developing their language, cognitive, and fine motor skills. The joyful learning environment encouraged curiosity, creativity, and active participation among students

## KNOW YOUR VEGETABLES

On 15th April, our Pre-Primary section celebrated "Know Your Vegetables Day" with great enthusiasm. Children were introduced to a variety of vegetables through fun and interactive activities. They explored different colours, shapes, and names while engaging in hands-on learning. The activity not only made learning enjoyable but also encouraged healthy eating habits among the young learners.

## EARTH DAY ACTIVITIES

On 22nd April, our Pre-Primary students celebrated Earth Day with great enthusiasm. Children participated in various eco-friendly activities like colouring, planting, and craft work using recycled materials. Through these fun tasks, they learned the importance of caring for our planet and keeping the environment clean and green. The celebration inspired our young learners to become responsible and nature-friendly individuals.

## PUPPET SHOW

On 6th April, a delightful Puppet Show was organized for our pre-primary students. The colourful puppets and lively storytelling kept the children engaged and entertained throughout. The show not only brought smiles and laughter but also conveyed meaningful messages in a fun way. It was an enjoyable and memorable experience for our young learners.

## CLASS PARTY & MOVIE TIME

All Pre-Primary and Primary students enjoyed a joyful Class Party and Movie Time filled with fun and excitement. Dressed in colourful party outfits, children brought their favourite snacks and happily shared them with their friends.

The celebration continued with a special movie screening, where students relaxed and enjoyed an entertaining animated film. The day was filled with laughter, bonding, and cheerful moments, making it a memorable experience for everyone.
